Biala Hostel, under the auspices of Aboriginal Hostels Limited, is located in the suburb of Allambie Heights, on the northern shore of Sydney Harbour and approx 15 km from the Sydney CBD.

Situated in a quiet, attractive street among tall trees, the hostel caters for up to 21 indigenous girls who attend Mackellar Girls High School at Manly Vale.

House-parents are responsible for the pastoral care of the students, while catering staff provide meals in the pleasant dining-room. Accommodation is in twin-share rooms with shared facilities, and students have access to computers for their Home Studies.

Built on sloping ground, the hostel surrounds are limited for student recreation. However, as is the case in all AHL hostels, a swimming pool is available to the students.

Biala Hostel is well known within the Northern Beaches community, and students are encouraged to participate in the sporting activities within the area.
