Kirinari Hostel, under the auspices of Aboriginal Hostels Limited, is situated in Sylvania Heights, a suburb some 35 km south of the Sydney CBD.

A large hostel set in picturesque grounds, Kirinari is a co-educational facility with a capacity of 30 indigenous secondary school students who attend either Gymea Technology High School or Endeavour Sports High School.

Accommodation is provided in two separate dormitory blocks each containing single bedrooms with shared facilities.

The House-parent couple are responsible for the pastoral care of the students, supported by a Recreation Officer who is available on weekends. Catering staff prepare and serve meals in the large kitchen and dining area.

A large outdoor area provides plenty of space for recreational activities, and students are encouraged to participate in their chosen sports.
