Wangkana-Kari Hostel, under the auspices of Aboriginal Hostels Limited, is situated on the main highway on the outskirts of Tennant Creek, approx 540 km north of Alice Springs.

It is a co-educational facility for 32 secondary school students who come from remote communities around Tennant Creek. All students attend the local Senior High School.

The boarding complex is built around a central courtyard, with twin-share accommodation in bright and colourful rooms.

The communal dining-room is light and airy, and meals are cooked in the well-appointed kitchen.

Recreational facilities for the students include a new swimming pool. A new residence for occupation by the House-Parents has also been constructed.
