Bollon District Childrens Residence is situated in the small south central town of Bollon which is approx 600 km west of Brisbane.

Located in the main street of the town, the hostel was established on the site of a former residence and adjacent store after being adapted to suit its new purpose.

The hostel is managed by a committee comprising community members, parents, and a House-parent who is responsible for pastoral care and the daily running of the residence. The students, up to 15 boys and girls, attend the Bollon Primary School and come from areas around south-central Queensland.

The main building of the hostel contains a spacious kitchen, dining and lounge area together with an activity room.

In a second building and connected by a breezeway, the sleeping accommodation is located in 2 open dormitory-style bedrooms on either side of the House-parent quarters.
