Roma Student Hostel is situated in the large rural town of Roma in southern Queensland, approx 500 km west of Brisbane.

The hostel is conducted by the Roma Shire Council and managed by a committee consisting of Council representatives, local business people and parents.

Accommodation, for up to 23 students, is in 17 single and 3 twin-share rooms, all equipped with beds, cupboards, shelves, desk and chair. An electric wall fan is provided in every room.

The comfortable lounge room provides space for TV/video viewing and is fitted with a large gas heater and air conditioning. The study/computer room is also air conditioned and has four computers connected to the Internet as well as printers and a scanner.

An outdoor recreation room is also provided, and students are encouraged to participate in sporting activities within the community.

Accommodation is provided on-site for the house-parents who provide for the welfare of the students and the day-to-day running of the hostel.
