**Contact: Manager**

Woodleigh Residential College is situated in the town of Herberton, located on the Atherton Tablelands, approx 120 km south-west of Cairns.

The hostel was established in 1924 under the auspices of the Uniting Church in Australia, (Queensland Synod) and is a co-educational facility for 90 students from remote and isolated centres. Yrs 8-10 students attend the Herberton State School, while Yrs 11-12 students travel 18 km by bus to the Atherton State High School.

A Manager, together with a staff of 4 Supervisors, are responsible for the pastoral care of the boarders.

The students are housed in 2 dormitory style accommodation wings each with its own shared bathroom facilities.

Another large building contains the spacious kitchen and dining room areas. An indoor recreation hall forms part of the complex, together with an outdoor sports oval.
