Established in 1891, Nudgee is one of Queensland's largest and best known boarding schools. With over 300 boys living on campus, the College offers an exciting and enthusiastic community.

The College enjoys world class facilities on a magnificent 136 hectare property. With 11 rugby and cricket pitches, 12 cricket nets, a heated Olympic swimming pool, and 25m pool, 4 basketball courts, 4 indoor volleyball courts, 12 tennis courts, Olympic standard tartan athletic track, 9 hole golf course, 3 soccer pitches, rifle range, first class gymnasium, rowing 'shed', there is lots of space and a plethora of activities.

A working vineyard and cattle yard on campus cater to those with an affinity for the land; a commercial kitchen is a boost for hospitality students. The contemporary music program, complete with working recording studio, has produced current chart topping musicians.

Of the 60 staff who live on campus, a great number of these include families, as the senior staff are all married men. This means they are able to bring a wealth of experience to their roles, and is one of the reasons Nudgee has such a community atmosphere.
