Contact: Executive Officer

Vineleaf Student Hostel is situated in Mildura, a large town on the River Murray in western Victoria.

The hostel is run by the Mallee Accommodation and Support Program and was established to meet the needs of rural students wishing to further their secondary education in Mildura.

In 1993 MASP purchased the Vineleaf Motel which was converted into a student hostel.

The hostel has co-educational accommodation provided in single furnished rooms with en-suite. A communal dining-room/kitchen is available where the students prepare their own meals, and a large multi-purpose leisure/study room is also on the campus.

Vineleaf Hostel has a live-in Supervisor/s on duty overnight and Youth Workers who provide on-going oversight and support to students.
