Catholic Agricultural College Bindoon, established in 1995 on the site of a former boarding school, is situated in the beautiful Chittering Valley, 10 km north of Bindoon approx 1 hour's drive north from Perth.

A co-educational facility, the College caters for Years 8-12 day and residential students, specialising in Equine, Agriculture, Automotive and Hospitality, providing quality education in a close-knit environment.

Four residential houses accommodate the students, with dormitory-style rooms and shared bathroom facilities. A large kitchen and dining room caters for communal meals.

Cropping is carried out on the 3,600 hectare farm, together with animal production and horticulture. A variety of recreation and sporting activities is offered, including pony club and cattle club together with swimming pool, ovals and courts for sport.

Students come from rural and remote regions throughout WA as well as the Perth metropolitan area.
