The hostel at the WACOA Morawa is a modern and well designed building with individual or two bed rooms. Each dormitory has a common room fitted with television and kitchenette. Set in pleasant grounds close to the College farm, and within easy walking distance from shops and facilities, the hostel is fully air-conditioned and a friendly home away from home.

Facilities at the hostel include a gymnasium, basketball, tennis and volleyball court, fire pit for winters night get together, canteen and social rooms.

A fully equipped computer room with internet access and supervisors for homework assistance contribute to a successful learning environment.

The town of Morawa has excellent sporting and recreational facilities and students are welcomed into community competitions and activities.

Dedicated hostel staff frequently organise weekend and afternoon activities including, scuba diving, AFL football matches, concerts, picnics and pastoral care camps.
