Northam Residential College offers a stimulating and exciting boarding environment for students in remote areas so that they may gain access to quality secondary education.

The College is located opposite the Northam Senior High School which offers students a choice from a diverse range of accredited courses, TEE, Vocational and VET.

A high standard of accommodation is provided, giving students modern air-conditioned single rooms which offer privacy, space, and a place for personal belongings.

The College has a recreation room with TV/DVD, table sports and computer facilities. The common room is spacious and a place where students are able to meet and socialise, or just sit quietly and relax.

Supporting the academic achievement of the students is a vital element of what is offered and provided at Northam Residential College

Tutors are available to assist students who may require specialised tutorial sessions.
