Rotary Residential College is situated in East Victoria Park, an inner suburb of Perth, just 10 minutes from the CBD.

The College is a co-ed facility (Yr 8 to Yr 12) for country high school students who do not have a high school in their district or are attending a special course offered by Metropolitan High Schools.

These courses include Tennis, Golf, Hockey, Cricket, Aviation, Basketball, Netball, Academic Extension (talented & gifted) Dance, Drama, Music, Languages.

Accommodation consists of ninety five en suite rooms, a recreation room, IT room with 25 computers, student library, aeronautics model making room and arts & crafts room.

The premises are protected by state of the art surveillance and security systems as well as fire detection warning systems wired direct to the Fire Station.

The College utilises all sporting facilities and swimming pool at Kent Street Senior High School after school hours.
