### **As a student accepting enrolment at Kormilda College, I agree at all times I will**

- work towards achieving the College Mission in everything I do
- represent the College through my conduct and behaviour in a way that will bring credit to myself, my family and the College community
- make an honest effort to achieve my personal best in all courses of study
- act at all times with respect towards the College staff, other students, parents and visitors to the College

- wear the full school uniform
- be punctual and bring all the necessary resources for all classes
- participate fully in activities arranged by the College such as excursions, camps, sporting carnivals and other College activities.

### **As a student accepting enrolment at Kormilda College, I understand that**

- behaviour that disrupts my learning or the learning of others or is in conflict with the College Mission is unacceptable for a student enrolled at the College
- behaviour that is illegal or socially unacceptable (eg. bullying, abuse, possession and/or use of alcohol or illicit drugs, vandalism, violence, racism, intimidation, offensive language, possession of offensive literature) may lead to the loss of my place at Kormilda College
- the College requires students to participate actively in programmes that will restore relationships broken by unacceptable behaviour.

### **Good Standing Policy**

All students have a right to learn in a positive, supportive learning environment. This means that all students also have a responsibility to support the learning programme by participating fully in the course of study, participating fully in special events, attending all classes, and respecting the rights and possessions of others.

A student's 'good standing' may be downgraded if he/she does not demonstrate a commitment to learning and follow College rules and expectations established for all students. If a student's 'good standing' is downgraded, access to special school events may be withdrawn.
