

SMOKE-FREE WORKING ENVIRONMENT

Policy Statement

1. The Authority is committed to providing a safe working environment, and to protecting the health of all staff and students from the ill effects of tobacco smoke, through a policy of a smoke-free working environment, with the exception of employees' on site residential units.
2. To this end the Country High School Hostels Authority will:
 - a) maintain a totally smoke-free working environment within its premises and vehicles (with the exception of on site residential units);
 - b) ensure that staff wishing to apply for jobs in the residential colleges are aware of the Authority's smoke-free policy.
