

Service Statement

Organisational Statement – *Country High School Hostels Authority, WA*

'The Authority's boarding service complements and supports the Government's education provisions for students where distance prevents them from having daily access to their nearest government education or training service.'

Or

'To provide an opportunity for students in remote areas to attend primary and secondary schools and TAFE colleges by providing affordable, good quality, supervised student accommodation, care and services in strategic locations.'

Or

'The establishment and operation of an accessible, affordable, high quality student boarding service.'

Or

'Quality accommodation, care and services for isolated students who have to board away from home to attend school.'

Or

'A quality student boarding service for geographically isolated students.'
