

## Mobile Phone Policy

### Clayfield

Students should not bring mobile telephones to school. On the rare occasion that it may be essential to bring a mobile telephone to school it must be checked in with Student Services at the beginning of the day and checked out again at the end of the day. If this is not adhered to, the mobile telephone will be removed from the student and only returned upon written request to the Dean of Students by the student and endorsed by the parents. Mobile telephones must not be kept in bags or lockers.
