

Mobile Phones @ RRC

Students are not allowed to have mobile phones unless SPECIFIC permission has been granted by Management. There are very few exceptions.

Phones are NEVER allowed in dorms.

BE WARNED

We can detect Bluetooth and we have a mobile phone detector that can locate your phones even if you are not talking on it. If its on – we will find it.

Mobile Phones @ RRC

We know several students have phones already. This weekend get rid of it and don't bring it onto the College property again.

If you want to have a mobile phone here are some suggestions:

- Leave it in your school locker.
- Leave it with the person who signs you out on weekends.
- Leave it with a friend.

**DO NOT BRING A PHONE ONTO THE COLLEGE
PROPERTY**

Mobile Phones @ RRC

BE WARNED

As of Monday 3rd March if you get caught with a mobile phone -

VERY HARSH PENALTIES WILL APPLY

- Your phone will be confiscated and shipped C.O.D. to your home.
- Parents will be notified.
- You will lose some privileges and you will get some extra duties.
- You may get a letter of warning – your position here could be ‘at risk’.

Mobile Phones @ RRC

Bear in mind.....

- People have lived without phones for thousands of years!
- If you think it's unsafe to travel without a phone – you don't have to go out!
- Why risk getting in trouble?
- Talk to your friends face to face.
- If you bring a mobile phone to the College you are breaking the trust we have in you and you are being unfair to the other students. Please don't risk your good relationship with Staff over this issue.
